

Super Heroes of Reading

We are very excited to try something new with reading incentives this year at Eugene Field! Every student will have the opportunity to become a super reader! As students complete reading minutes at home, they will earn different super powers. There are 10 levels for students to move through. When students reach a new level, they will be given an official super power card and will receive a special prize.

Level 1: X-Ray Vision ➡ sticker

Level 2: Supersonic Speed ➡ scratch & sniff bookmark

Level 3: Flying Power ➡ money eraser

Level 4: Super Strength ➡ power bands (bracelet)

Level 5: Time Travel ➡ pencil

Level 6: Invisibility ➡ a book

Level 7: Bravery ➡ super hero mask

You will find a spot on the back of the homework brochure for you to record the number of minutes your child reads each week. *Kindergarten has a special reading log to use for the month. Please be sure this is filled in before your child brings the homework brochure back. Remember; your child can read alone, with someone or listen to reading. Have fun & Happy Reading!
